

Agreement Terms & Conditions for Groundwater & Borewell Survey

1. Scope of Work

- The Consultant (BlueEnergy Build Pvt. Ltd.) shall conduct groundwater/borewell survey services as per the agreed proposal.
- Services may include geophysical resistivity surveys, hydrogeological/hydrological studies, data interpretation, and recommendations for borewell feasibility.
- Deliverables: Maps, survey reports, and recommendations based on the collected data.

2. Client's Responsibilities

- The Client shall provide site access, required permissions, and necessary local assistance.
- The Client shall ensure land is clear for survey equipment setup and provide any existing borewell/water data if available.
- Food, accommodation, and local transport facilities (if not included in consultant's quote) shall be arranged/provided by the Client.

3. Fees & Payment Terms

- Fees are as per the approved quotation.
- 100% advance payment before commencement of survey unless otherwise agreed in writing.

- Payments shall be made by bank transfer in favor of BlueEnergy Build Pvt. Ltd. within the stipulated time.
- Delayed payments may attract interest charges as per applicable laws.

4. Timelines

- Survey schedules will be finalized in consultation with the Client.
- Delays caused by weather, permissions, or client-side issues may extend delivery timelines.

5. Limitations of Survey

- Survey results are based on scientific methods and field conditions.
- Recommendations are probabilistic in nature; water yield and quality may vary during drilling due to geological uncertainties.
- The Consultant does not guarantee the exact quantity/quality of water but assures scientifically accurate investigations to maximize borewell success rates.

6. Confidentiality

- All data, maps, and reports shared with the Client are for project use only.
- The Client shall not share/distribute reports to third parties without prior written consent.

7. Liability

- The Consultant shall not be liable for borewell failure due to natural subsurface variations, client's drilling practices, or unforeseen conditions.

- The Consultant's liability is limited to the value of professional fees paid under this agreement.

8. Force Majeure

- Consultant shall not be held responsible for delays or non-performance due to events beyond control, including natural calamities, strikes, or government restrictions.

9. Termination

- Either party may terminate this agreement with written notice of 7 days.
- In case of termination, the Client shall pay for the work completed up to the date of termination.

10. Jurisdiction

- This Agreement shall be governed by the laws of India.
- Any disputes shall be subject to the jurisdiction of courts at Hyderabad, Telangana.

Acknowledgement

By booking/availing the Groundwater/Borewell Survey services, the Client acknowledges and agrees to the above Terms & Conditions.
